Mercy Housing

"Thank you for my house.
Thank you for your kindness."

Obers, age 11, Mercy Housing resident.

Dear Friend,

A child in the air, a cozy fire, family, friends and home.

Thanks to the support of people like you, thousands of Mercy
Housing residents can enjoy a warm home this holiday
season. We thank you for your generosity to Mercy Housing
California and appreciate your commitment to our mission.

Today, thousands of working men and women still struggle
to afford adequate healthcare, food for their families, and a
safe place to live. Their options are few and accessibility is
limited.

Twenty five years ago, the founders of Mercy of Humboldt saw
the crisis of affordable housing in their community and
envisioned a humane world where poverty is alleviated,
communities are healthy, and all people can develop to their
full potential. Today, through numerous regional partnerships,
Mercy Housing has extended its vision and now
serves over 69,000 people in 18,100 homes in 41 states.

As we approach the New Year, we invite you to help us
continue to build a future where...

- All people have safe, quality, affordable housing
- Seniors and people with special needs receive proper care
- Parents find the support and services they need to
enrich their families
- Children flourish in programs that guide them to develop
and grow into strong adults

Imagine the good you will do by donating to Mercy Housing
California. Please send your gift today to support our
mission to provide quality, affordable homes and community-
enriching services. A safe, secure home for everyone is
truly the spirit of the holidays.

Just wait for a joyous holiday and healthy, happy 2007!

John Gird,
President, Mercy Housing California

**P.S. Together we can create a more humane world.
Please give generously!**

Have you visited a Mercy Housing California property
recently?

If you have, you know firsthand how we are helping
thousands of California families improve their lives by
providing safe, quality affordable housing. For families and
individuals struggling to meet their basic needs, a stable
and secure home is a critical first step to self-sufficiency.

Your gift this holiday season can make a significant
difference in the lives of the people we serve.

Like Gloria Hernandez, who was living in a single 10 x 18
foot room before moving into Mission Creek Senior
Community in San Francisco last Spring. "I say a prayer
thanking God for this marvelous moment. Living here in
the community has lifted my spirit beyond my
expectation. I now have a home instead of a room. My
own bathroom, kitchen, living room and panoramic terrace.
Beyond my hopes, I feel as if I am living with angels.
The staff here are incredible, beyond words. From the
manager, mental services and maintenance. I feel so safe
and secure living at Mission Creek Senior Community."

Thank you for your continued support of Mercy Housing
California. We wish you every blessing this holiday season.
